

# OUKITEL RT3

Compact and Portable Rugged and Powerful

●  
Black

●  
Orange

●  
Green

**Android 12.0**  
Stock Version

**Massive 5150mAh Battery Capacity**  
15 hours of talk time

**8"HD inch IPS**  
Scratch-resistant

**16MP Front&Rear Camera**  
Capture Wonderful Moments

**MT6762 P22**  
4GB RAM + 64GB ROM

## Basic information

Model	RT3
RAM	4GB
ROM	64GB
Battery	5150mAh
Display	8" HD

## Battery

Capacity	5150mAh
Charging frequency	10W
Reverse charging	5V/2A

Reverse charging	Support
Material	Inbuilt lithium-ion polymer
Voltage	4.4V
Standby time	490H
Talk time	15H

\*The endurance value comes from the OUKITEL laboratory

Processor

CPU	MT6762 P22
CPU Architecture	8*A53
CPU Frequency	2.0GHz+1.5GHz
GPU	IMG GE8320 650MHz

Dimension

Height: 136.6mm  
Width: 209mm  
Thickness: 14mm  
Weight: 538.1g

Camera & Video

<b>Rear camera</b>	<b>Front Camera</b>
16MP+0.3MP	8MP
Optical dimension: 1/2.534"+1/10"	Optical dimension: 1/4"
Pixel size: 4672*3536+640*480	Pixel size: 3200*2400
Aperture: F1.79+-3%	Aperture: F2.2
Wide Angle: 81.5°	Wide-angle: 75°
Function: Main Camera	Function: Beauty

Display

Size & Technology	8"HD IPS Display
-------------------	------------------

as follows.

<Highest Reported simultaneous SAR Summary>

RF Exposure Conditions	Max SAR Vahe ( W / kg )	
	10g Body SAR W / kg )	10g Extremity SAR ( W / kg )
	1.521	3.282
Max Simultaneous TX	1.744	3.922

Language support

English, Spanish, Portuguese (Brazil), Portuguese (Portugal), Italian, German, French, Russian, Arabic, Malay, Thai, Greek, Ukrainian, Croatian, Czech, Simplified Chinese, Traditional Chinese. (It has updated 48 languages)

Package contents

- 1x RT3 Tablet
- 1x Type-C Cable
- 1x Power Adapter
- 1x SIM Card Eject Tool
- 1x Warranty Card

OUKITEL RT3

Type-C Cable

Instruction wireframe

SIM Card Eject Tool

Warranty Card Quick Start Guide

1. Available storage and RAM are less than the total memory due to the storage of the operating system and software pre-installed in the device. OUKITEL RT3 supports expansion SD cards.
  2. Charging rates are based upon the use of the included charger. Actual results may vary.
  3. Size and weight vary by configuration and manufacturing process.
  4. The camera software functions are subject to actual presence, some functions and names may vary depending on the software version.
  - 5.The support for 4G depends on the local carriers' network; when using two 4G SIM cards, only one of them supports 4G network standby, which can be selected at Network Settings.
  6. Dual 4G SIM requires the support of local telecom operator services, and may not be available in all regions.
  7. Only certain regions and telecom operators support 4G network.
  8. Download speed data are theoretical values under laboratory test, data sources: MediaTek.
  9. Even if a device supports some or all of the required frequencies for this carrier, it will not be able to connect unless the device is approved for this network.
  10. The standard charger is EU type, if you need other chargers please purchase them separately.
  11. Unless otherwise indicated on the OUKITEL RT3 product page, all data come from OUKITEL Laboratories, product design specifications, and supplier data. The testing data may vary slightly between different test versions and testing environments. All figures shown on the product page are for reference only and may not reflect the actual product.
